

Workshop on R software

Event 2 - R Workshop

The workshop will be delivered by Danielle Quinn, a Ph.D. candidate at Memorial University who has expertise as a statistical consultant, scientific programmer, and educator. The workshop will cover data and spreadsheet formatting, introduction to R & RStudio, working with data, and {dplyr} for data frames.

Date: Feb 22, 2022, Tuesday

Time: 3-hour time slot between 7.30 pm to 10.30 pm
