

Notice

Course Registration for Special Session (E/18) -2021

Registration for Special Session is from **30th April 2021 to 02nd May 2021**. Eligible students for Special Session can register online for relevant course/s during the given period. As per regulations, a student can register for a maximum of three courses (except GP 102) at the Special Session. Please refer “List of Students Eligible for Special Session” available in the AR Noticeboard for information about subjects with lower grades.

If you have any problem on the registration process please contact 0812393303.

Please note that late request for registration will not be entertained under any circumstances.

Assistant Registrar,
Faculty of Engineering.
